

ST AUGUSTINE OF CANTERBURY, WHITTON

Sunday 27th August 2023

CHURCH NEWS

St. Augustine Church, Whitton, Hospital Bridge Road, Twickenham,
TW2 6DE

12th Sunday after Trinity

The Season of Trinity celebrates the Christian doctrine of the Holy Trinity; the Father, the Son, and the Holy Spirit. The trinity expresses the way we relate to, experience and worship God: Father the Creator, the Son Jesus Christ, and the Holy Spirit who lives in us.

On Trinity Sunday, the Christian Church celebrates and gives thanks for what the Father, Son and Holy Spirit have done in creating and accomplishing salvation for humanity and the whole creation. We remember the Father as our Creator, the Son as our Saviour, and the Holy Spirit as our Comforter and strength. Celebrating Trinity Sunday after Pentecost also allows the Church to further reflect on the mystery of God after receiving the gift of the Holy Spirit.

First Reading – Exodus 1.8-2.10

Second Reading – Romans 12.1-8

Gospel Reading – Matthew 16.13-20

Now when Jesus came into the district of Caesarea Philippi, he asked his disciples, 'Who do people say that the Son of Man is?' And they said, 'Some say John the Baptist, but others Elijah, and still others Jeremiah or one of the prophets.' He said to them, 'But who do you say that I am?' Simon Peter answered, 'You are the Messiah, the Son of the living God.' And Jesus answered him, 'Blessed are you, Simon son of Jonah! For flesh and blood has not revealed this to you, but my Father in heaven. And I tell you, you are Peter, and on this rock I will build my church, and the gates of Hades will not prevail against it. I will give you the keys of the kingdom of heaven, and whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven.' Then he sternly ordered the disciples not to tell anyone that he was the Messiah.

July & August Retiring Collection – Stillbirth and Neonatal Death Charity (Sands)

Sands is a UK registered charity, based at the Royal College of Obstetricians and Gynaecologists in London. Established 40 years ago it provides support to anyone affected by the death of a baby.

In the UK, 13 families a day suffer the heartbreak of losing their baby before, during or shortly after birth. That's around 4,500 babies a year. Far too many babies die without scientists, doctors, midwives, or their own parents understanding why with devastating effects. That's why research is vital in improving our understanding of how to save babies' lives and using that evidence to drive changes in maternity policy and practice across the UK.

Sands works in partnership with health care professionals, trusts and health boards to offer a range of training programmes and bereavement care resources to ensure that every bereaved parent and family receives the best possible care through a UK-wide network of around 100 support groups. *For more information visit sands.org.uk.*
